Health & Local Govt. Deptt.

Mr. Narke's appointment as Engineer under the D.L.Bd.,Dharwar, was approved by Govt. under G.L.,Health and Local Govt. Deptt, No.5869/17598-C,dt. 23-7-1949. One of the conditions on which the appointment was approved is that before confirmation Mr. Narke should pass the professional Exam. according to the standard prescribed for P.W.D. officers in B.S.E.Class II within three years from the date of appointment. He proposes to appear for the said Exam.which, as he understands, is to be held,in June 1950.He therefore wants the detailed course prescribed for the said Exam. together with the set of papers for last ten years.

2. Please see in this connection P.W.D. letter No.4061/36-E(I),dt.4-11-44,as modified by letter of even no.dt.18-5-45.P.W.D. had allowed Messrs. Panditrao and Macha to appear for the professional exam held for P.W.D. officer In this case also that Deptt. may take similar action and allow Mr. Narke to appear for the examination to be for B.S.E. class II Officers. The subjects may be the same as those prescribed for P.W.D. officers except in the case of paper for Accounts. Mr. N.may instead be examined in the B.L.B. Act and the Local Board Account Code as was done in the case referred to above. P.W.D. may see these pps u.o. for remarks. That Deptt, may also be requested to supply the information and pps. referred to at"A' overleaf.

2. The H.& L.G.D. desires that arrangements may bemade for the professional examination of Mr.S.P.Narke,D.L.B.Engr. Dharwar, in the subject mentioned in the H & L.G.D. note within. The examination will be held in June 1950. The S.E.,S.C. may, therefore, be requested to arrange for the examination of Mr.Narke in June 1950. The S.E. will be addressed by keeping the necy.copies from these papers.

3. Mr. Narke wants the detailed course prescribed for the professional examination of Dy.Engrs. and the question papers for the last ten years. The syllabus for the professional examination has been printed in the accompptt.to G.R. No. 630/36, dt. the 9-12-42 as modified by G.R. No.9437/36,dt the 22-11-49. Copies of these G.Rs may be forwarded to the H.& L.G.D.for being supplied to Mr. Narke. It seems hardly necy. to supply him copies of examinaton papers for the last ten years. For some years the question papers have not been printed during the war.Question papers for the years 1947 and 1948 are being printed and copies thereof will be supplied to the S.E.,S.C.,Mr. Narke may, therefore, be asked to obtain copies of question papers from the S.E.,S.C. Though the booklets containing question papers are the official publications there seems no objection to supply copies to Mr.Narke Copies of question papers for the years 1938-39-40 and 46 are put up for being supplied to Mr. Narke.

4. These papers may be returned to the H. & L.G.D. with this note.

**

Sir,

In acknowledging the receipt of your letter No.370/33/51797-C dated 10th Feb.1950, I have the honour to state that one of the subjects prescribed for the examination is " Accounts & rules of the P.W.D." and that as per Government orders, I have to appear for that paper also. But I have to bring to your kind notice that the District Local Boards have their own rules & accounts, quite different from those of Government P.W.D., which the Local Board Engineers are not thoroughly in touch with. Hence it would be convenient & beneficial too, if the D.L.B. Engineers are allowed to be examined in the subject " Accounts & rules of D.L.B." on the same lines that of Government P.W.D. If this suggestion meets your sympathetic consideration, necessary orders may kindly be issued at an early date. Meanwhile, I may kindly be permitted to study " Accounts & rules of D.L.B." only with a view to appear in that subject during the examination, which will be held in June next.

Early orders are solicited.

In accordance with rule 5 of the rules regarding professional examination of Assistant Engineers (I) and Deputy Engineers, printed as an accompaniment to Government Resolution No.630/36, dated the 9th October, 1942, only permanent Executive Engineers should be nominated as members of the examination Committee by the President; but at present, there are no permanent Executive Engineers in this Circle nor in the Karnatak Irrigation Circle of the Karnatak Zone. On perusal of the Civil list, it is seen that there are no permanent Executive Engineers in the State who can be appointed as the members of the examination Committee, as almost all the permanent Executive Engineers are officiating as Superintending Engineers. In view of the above, I may please be permitted to appoint senior Officiating Executive Engineers in this Circle, as members of the examination Committee. I propose the names of Shreeyuts V.V.Kale and R.Krishnaiengar, Officiating Executive Engineers of Dharwar and Belgaum respectively as members of the Committee for the approval of Government.

P. 13

Reference your No. H & L.G.D. 0/4/51797-E(III) date 30/3/1950 addressed to the Superintending Engineer, S.C., Belgaum. The Superintending Engineer, S.C. in his letter No. G-56 dated 19/5/1950 and 29/5/1950 called for the recovery of fees for setting up and marking papers for the professional examination prescribed for Dy. Engineer's and the Board - Engineer Mr. S.P. Narke- at the rates sanctioned by Governme in the G.R. mentioned above. The Superintending Engineer was informed under this office No. B-7(50) dated 20/5/1950 that such costs for drawing us and marking papers were to be met from the entrance fees collected from the candidates appearin for the examination. This principle is in vogue in other examinations conducted by Government such as Overseers' test L.F. Accountants' and Accounts' Clerk etc. The rates of fees payable to examiners is prescribed in the G. . and it is not recoverable from the Board. The university Examinations are also being donducted in the same way or otherwise the cost of drawing up and marking papers will have to be recovered from the Schools and colleges or from the Local Boards and School Boards and there is thus no point in recovering the entrance fees from the candidates.

The Superintending Engineer, S.C., has however - informed the Board to obtain Government orders in the matter. I have therefore request you to kindly issue orders to the Superintending Engineer, S.C., Belgaum to meet the expenditure on drawing up papers and marking them out of the entrance - fees collected for the purposes.

No.G-56./2

Public Works Department,
Belgaum: 11th November 1950.

Subject: Professional Examination of Shri S.R.Marke D.L.B. Engineer, Dharwar.

Reference: Govt. Letter (P.W.D.) No.4061/36-B(1) dated 18-9-50.

2. Shri Marke, D.L.B.Engineer, was to be examined in the subjects prescribed for the B.S.E. Class II Officers except in the case of the paper for Accounts wherein he was to be examined in Bombay L.F. Act & Local Fund accounts Code (L.F. instead, vide G.D.(P.W.D.) No. [illegible] dated 30-3-1950 and wherein the scale of fees for drawing up question papers, marking and valuing oral replies is also given.

3. The Professional Examination for Departmental candidates was held on 26-6-50 and Shri Marke was admitted to it. But he did not appear.

4. The Examination was held for departmental candidates. But for the subjects of L.F. Act and L.F. Accounts Code for which Shri Marke, D.L.B. Engineer, alone was to appear, the question papers for one written paper and the other for oral paper had already been drawn up by the Examiner Local Fund Accounts Bombay.

5. The L.B.B. Dharwar was requested to credit into the Dharwar Treasury a sum of Rs.119/- on account of fees for drawing up papers, marking and entrance fees etc., as detailed below, from which it will be seen that the Board was not charged fees for drawing up other question papers or marking them :-

Rs.	50/-	for setting a question paper for written paper in L.F. Act & L.F. A/Cs. Code.
Rs.	50/-	-do- for Oral paper-
Rs.	2/-	For marking the above;
"	2/-	For valuing oral replies;
Rs.	15/-	Entrance fees.

Rs.	119/-	

6. The Board is not willing to pay the above amount and contends that expenses of holding the examination should be met from the entrance fees collected from the candidates as is done in case of other examinations held by Government and Universities. It may be pointed out that no entrance fees are payable by the departmental candidates and the entrance fee of Rs.15/- which is based on the analogy of the fee charged in the case of D.L.R. overseers etc. as per Rule 8 of the Rules accompanying G.R.,G.D. No. 370/33 dated 4-12-39, has

not ...

not also been paid by the candidate or the Board as yet.

7. Whenever an examination is specially arranged for a D.L.S. candidate fees for drawing up question papers examining and valuing oral replies including T.A. of the Members of the Committee appointed for the examination are payable by the Board concerned, vide instructions issued in G.L., P.W.D. No.4061/36-E (I) dated 4-11-1944.

8. In this particular case only two papers were drawn up by the Examiner, L.F. Accounts and he is to be paid for it. The D.L.S. Dharwar should, in my opinion, pay the fees of Rs.100/- payable to the Examiner, Local Fund Accounts (or Rs. 50/- if Government disallows the fees for drawing up question paper for oral examination) and suitable entrance fees.

Orders of Government in the matter are, however, solicited.

He had also pp. 1-2 agreed to pay all the necy. charges, if there were any. Accordingly the S.E.,S.C., was P.35 requested to arrange for the Professional Examn. of Shri Narke in the subjects prescribed for B.S.E. 3. The Examn. for Departmental candidates was held on the 26-6-50 by the S.E.,S.C., and Shri Narke was admitted to it. However, Shri Narker did not appear for the examn. 5. In the case of Shri Narke two papers were drawn up by the Examiner, Local Fund Accounts Bombay, and it is necy. to remunerate that officer on that account. The S.E. recommends that the D.L.B., Dharwar, should be directed to pay Rs.100/- for drawing up written as well as oral papers or Rs.50/- if Govt. considers to disallow the fees for drawing up the question paper for oral exam. plus suitable entrance fee. In view of this, the D.L.B., Dharwar, may perhaps be asked to pay Rs.50/- for drawing up the written exam. paper only plus Rs.15/- as entrance fee.

...

No. B-7(51)
Office of the Dist. Local Board,
Dharwar, 13th March 1951

To

The Asstt:Secretary to the Government of Bombay,
P.W.D.

Reference your No. 4061/36-E(I) dated 10/2/1951. The Superintending Engineer, S.C. informed the Board on - 17/5/1950 to credit Rs. 119/- towards drawing up and marking papers together with the examination fees of the candidate. He further informed that the examination in question would commence from 26/6/1950.

Shri S.P.Narke, Boafd Engineer expressed his - unwillingness to appear for the examination then as he was not prepared for it due to pressure of work. Immediately on 27/5/1950 the Superintending Engineer, S.C., was informed of it.

In this case, it may be noted that no application for admission to the examination was sent to the Superintending Engineer, S.C. and on the contrary he was informed well in advance that Shri Narke was not going to appear for it. It is not therefore understood how the Board is liable for the charges. Moreover this is a novel procedure.

The fees for the examination are meant to defray the expenses in conducting the examination. This rule holds good in all examinations. In no departmental examination fees for drawing up papers and marking papers are recovered.

The Board isa not therefore liable to pay the - charges as no application was submitted for the examination and secondly this is an unusual method.

Dear Sir,

Reference: Government Letter (Public Works Department) No.4061/36-E(I), dated the 10th February 1951.

2. I have to invite a reference to the Government Letter mentioned above and to request you to arrange to pay the amount of Rs.65/- into the Treasury at an early date and intimate the date of payment and chalan number to this office.

****

No.G-56. Public Works Department,
C.V.Belgaum: 12th April 1951.

Returned, with compliments, to the Chief Engineer, Public Works Department, Bombay, together with the President, District Local Board, Dharwar's letter No. B.7(51) of 13-3-1951.

2. As reported in this office No.G-56/3, dated the 11th November 1950, Rs.119/- were at first asked for from the District Local Board on account of fees for drawing up papers, marking them and entrance fees as detailed in para 5 of the letter. But in accordance with the orders of Government thereon as conveyed in Government Letter No.4061/36-E(I) of 10-2-1951, the President has subsequently been written to to arrange to pay Rs.65/- only instead of Rs.119/-, vide this office letter No.G-56/1 of 20-2-1951 (copy attached).

3. Since Shri Narke, District Local Board Engineer, did not appear for the examination, but had expressed his unwillingness to appear before the date of the examination was notified, it is for consideration whether the payment of fees as asked for above should be insisted upon. In this connection, it is brought to notice that as already reported, the question papers for one written and the other for paper in L.B.Act and L.F.Accounts code were already drawn up by the Examiner, L.A.Accounts, Bombay, in accordance with Government Letter No.H.& L.G.D.O./4/51797-E(III) of 30-3-1950 before Shri Narke had expressed his unwillingness to appear for the examination, as he had first expressed his desire to appear for the examination. Since the papers were already drawn, the Examiner, L.F.Accounts, may claim fees though he has not done so far.

2. Please see the proceedings underlying G.L. No.4061/36-E(I), dated the 10-2-1951. The D.L.B., Dharwar, should have informed the S.E.,S.C., of Shri Narke, D.L.B. Engr's inability to appear in the Profl. Examn. immediately on receipt of G.L. No.H & L.G.D.0/4/51797-E(III), dated the 30-3-1950, appointing the Examiner, Local Fund Accounts, Bombay, as a member of the examn. committee for Shri Narke's examn. in the papers of Bombay Local Board Act and Local Board Accounts code and fixing the scale of fees for drawing up question paper, for marking papers and for valuing oral replies. The D.L.B, Dharwar, had not expressed unwillingness of its Engr. to appear in the examn. till the date of the examn. was notified. The Examiner, Local Fund Accounts, Bombay, had already drawn up two question papers (written as well as oral) for Shri Narke's examn. in the papers stated above. The Examiner, Local Funds Accounts, Bombay, is required to be remunerated for drawing up the question papers though he has not yet asked for payment in that respect. In view of the position stated above, the contention of the D.L.B. Dharwar that the Board is not liable to pay the charges as laid in G.L. No.4061/36-E(I), dated the 10-2-1951, is not correct. Govt. may insist on the orders already issued in G.L. refd. to above.
